- Subterranean headquarters to be used in case of war, by a high command have recently been constructed at Pusztavám (Y 82). It is not known whether these headquarters are for the Russians or Hungarians.
- At present, they are being utilized in part by two Hungarian companies of the 3rd Communications Battalion of the regiment which has its headquarters at the Petofi barracks in Budapest. In addition to the two companies, there are also some MVD and some Hungarian riflemen on the spot. In the vicinity, barracks are being prepared for about 1,000 men.
